

AMERICAN CANCER SOCIETY RELAY FOR LIFE

Celebrate.

Remember.

Fight Back.

February 2010

Dear Friends of the American Cancer Society:

You are invited join to in the fight against cancer by becoming a sponsor for the Relay For Life of Hawthorne, taking place May 1<sup>st</sup>- 2nd, 2010. Relay For Life is 24-hour team event to fight cancer. One person from each team will be taking turns walking the track all 24 hours...because cancer never sleeps- so as a community we are doing something about it!

We invite you and your employees to become a partner in making this a successful event. In exchange for your contribution you will receive a variety of benefits including recognition on our event t-shirt. Moreover, as a sponsor for the Relay For Life of Hawthorne, you will create an awareness of your commitment to our community and to the fight against cancer.

We live for a world where no one would have to hear the words “you have cancer”. More than 78% of the American Cancer Society dollars are dedicated solely to research in order to support cancer patients and their families. All programs are funded from public contributions. This is the American Cancer Society’s signature fundraiser, with 1 out of every 100 people in the Nation participating in Relay For Life. I look forward to the growth this event will see in Hawthorne.

Please let us know how you can help. Thank you for your support.

In hope for a cure,

Salvador Velasco
